They have a 4 year-old daughter, Amelia, a 2 year-old son, Levi, and two crazy cats that keep life at home busy.

Upon graduating from Fillmore Central High School, Kelsey attended Nebraska Wesleyan University, where she earned a Bachelor of Science degree in business administration with a minor in finance. Later she decided her calling was school counseling. She will graduate in December from Doane University with a Master of Education in K-12 School Counseling. Her previous work experience includes being a media center and intervention paraprofessional at Fillmore Central and a K-12 School Counselor at Hastings Catholic Schools. She looks forward to helping all Huskies grow and develop their skills to reach their highest level of excellence.

District Tax Request Referendum

FACT SHEET

What's Proposed On June 21, the Heartland Community School District Board approved a resolution for a Special Election on August 15 for the purpose of seeking voter approval to exceed its state-certified, tax request authority in the amount of a \$1.83 million. This additional tax request authority amount will be used to ensure the completion of facility improvements the district and community initiated in 2021.

The district is seeking approval for a specific dollar amount of additional tax request authority – \$1.83 million – over the current, certified tax authority amount of \$3.99 million. This certified amount is now set by new Nebraska State Statute.

What the District is Asking the Voters to Approve

Why Now? On May 25, 2023, the Nebraska Legislature passed LB243 – the School District Property Tax Limitation Act – creating new limits to the tax request authority for the General Fund and Special Building Fund in each school district across the state. The Legislature then passed LB727 on June 1, 2023, which amended LB243, making it immediately effective for the upcoming 23-24 fiscal year. As a result, the district no longer has the tax request authority to finance the previously-approved facility improvements.

Project Description and Project Timeline

The District is taking this step so that it can satisfactorily complete the facility improvements project initially approved through a successful bond election in May 2022. These improvements include:

- Main entrance/office expansion and safety renovations.
- Four-classroom elementary addition.
- Childcare facility.
- Agriculture/Industrial Technology shop connection to the main building.
- Activity entrance renovation.
- Weight room addition.
- · Locker rooms addition.
- North gym, air conditioning, and bleachers.
- Fire sprinklers.

Passage of the tax request authority proposition requires approval from **60%** of voters voting on the issue.

- Updated fire detection system and controls.
- Upgraded electrical capacity, power distribution systems, and infrastructure.

The Heartland Community Schools facility improvements project timeline outlined below highlights important milestones in this effort.

May 10, 2022: BOND ELECTION – Both questions approved by voters.

December 2022: Original Construction Bids submitted; Lowest bid of \$10.8M is Rejected.

January 23, 2023: Board Meeting Seeking Public Input on Lease Purchase Financing for fully funding all facility improvements.

March 2, 2023: Board Authorizes Leasing Corp. & Lease-Purchase Agreement.

May 25, 2023: LB243 Approved by Nebraska Legislature with an operative date of January 1, 2024.

June 1, 2023: LB727 Approved by Nebraska Legislature which Amends LB243 to be effective immediately.

June 2, 2023: Board Indefinitely Suspends 2nd Bid Opening (scheduled for June 6th).

June 12, 2023: Regular June Board Meeting: Discuss Tax Request Authority Options & Election Considerations.

June 19, 2023: Special Board Meeting: Discuss Tax Request Authority Options & Election Considerations.

June 21, 2023: Special Board Meeting: Approve Resolution Calling for Special Election.

June 23, 2023: Deadline to File with County Election Commissioner Calling for Special Election in August.

August 15, 2023: Tax Request Authority Election.

Early-September 2023: Bid Opening (pending voter approval at August 15th election).

September 2023: 23-24 Budget & Tax Request Adoption Deadlines.

Special Election Information

- Mail-in Only Election
- Ballots must be received by the Election
 Commissioner by 5:00 PM on August 15, 2023
- Ballots will be mailed to voters between July 24 and August 4, 2023

Voter Information

The tax request authority certified to Heartland Community Schools for the 23-24 budget year is \$3,990,760 – this represents an initial limit for the combined tax requests for both the district's General Fund and Special Building Fund. For the upcoming budget year, Heartland Community Schools needs a tax request authority of up to \$5,821,786 combined between the General Fund and the Special Building Fund to finance the plans that the Board and the District have committed to. The difference between these two amounts (\$1,831,026) is the additional tax request authority that voters will be asked to approve.

School boards have limited authority to exceed the initial amounts certified to them. The maximum tax request amount the Heartland board is now authorized to make (\$4,348,001) is less than the amount that is necessary to fund the needs for the General Fund and the Special Building Fund. This is due to how year-to-year increases are calculated.

Below is a comparison between the tax requests that the Board will now ask voters to approve for this coming year versus the maximum amount the Board has the authority to authorize.
