

The Huskies Leader

From Brad Best, Superintendent...

To our parents and supporters,

Small schools in Nebraska look for ways to provide as many opportunities for their students as is possible within the restraints of budgets and the numbers of staff and students that support those programs. Our numbers are holding relatively steady, but there is no way to predict where they will be 5-10 years from now. Hampton Public School has asked if we would be interested in forming a co-operative agreement that would combine our students for extra-curricular activities. This is not a merger or a consolidation of schools – that has not even been discussed. It would simply be an agreement relative to how our students may participate together in activities while still maintaining our own schools. Some districts in the area that have these types of agreements are Exeter-Milligan and Fillmore Central or Bruning, Davenport, and Shickley (BDS).

The initial consideration is to combine students for jr. high football this coming fall. About 10 years ago, the same agreement was in place with Hampton for a period of time and it worked well. We have also talked about combining jr. high students for other activities. Our school boards will discuss and possibly take action on jr. high activities at the April 13th board meeting.

Looking forward, the question is whether we would combine our students for high school activities, as well. Our numbers of students are not likely to increase over the next couple of years and combining students for activities would expand opportunities for all of our students. Hampton has a strong speech program; we don't offer speech. We offer golf; they do not. Neither of us offers cross-country. Expanded opportunities for our students make it intriguing to consider.

We will provide multiple opportunities for the public to receive information and provide input prior to making any decisions related to high school activities. We continue to focus on the tenant of what is best for our students. This is not about us; it's about them. If you have questions or comments related to a possible co-operative agreement for activities, please give me a call at school at 723-4434. Additional information will be shared as the conversations progress.

All School Musical to be held on April 17 & 18, 2015

The songs of Elvis Presley form the backdrop for this musical about a leather-jacketed roustabout who shakes up a small Midwestern town in the 1950s. Librettist Joe DiPietro's tale of mistaken identity and romance that ensue was inspired by *Twelfth Night* and other Shakespearean comedies. Be sure to catch this production by HCS students on April 17-18 at the Heartland Community Schools Theater. The Friday and Saturday performances will take place at 7:00pm. Tickets are available at the High School Office. They are \$12.00 for adults and \$9.00 for students.

Heartland Preschool Taking Applications for 2015-16 School Year

Heartland Preschool is now taking applications for the 2015-16 school year, which will begin August 18, 2015. There will again be two sessions, each running four days a week, Monday through Thursday. Mornings will be for 3-year-olds and the afternoons will be for 4 & 5-year-olds. Children can attend two, three, or four sessions a week. The current cost for students to attend preschool is \$65.00 per month for 2 sessions a week; \$97.50 per month for 3 sessions a week; \$130.00 per month for 4 sessions a week. **A cost increase may go into effect for the 2015-16 school year, pending approval by the Heartland School Board.** Tuition can be paid by the month, quarter or semester, and is due prior to the start of each pay period. Reduced or free tuition is also available for those families who qualify. Please let the school office know if you want to apply for tuition assistance. Children who are verified for special education services attend at the cost of the district, with no charge for the parents. Their schedule is determined by their Individual Education Plan (IEP).

Interested parents can pick up an application form at the Heartland School office and then return the form after completing it. Parents will be contacted in early June concerning their child's application. Parents can contact Dot Quiring, Heartland Preschool teacher, with questions.

Junior High Students Compete in First Annual Cupcake Wars!

The 7th and 8th grade Family and Consumer Science students researched various cooking sites on the internet to come up with what they thought would be the winning cupcake. They broke into teams of boys vs. girls and created delicious and professional looking cupcakes. They gave a presentation about their cupcakes to the judges and a winner was chosen. During the process students were taught food safety, kitchen safety, and professional preparation techniques.

Heartland Basketball 2014-15 Season

After four months of a wonderful season, it has come to an end. A few of the accomplishments of this 2014-2015 Heartland Boys Basketball team include:

- 23-5 overall season record
- Holiday Tournament Champions
- Southern Nebraska Conference Tournament Champions
- Won all 10 games against Conference teams
- Qualified for the State Tournament
- Won a first round game at the State Tournament for the 1st time in 29 years.
- 4th place at the State Tournament

The foundation for the success of this season started long ago. I'd like to thank the parents and previous youth and junior high basketball coaches who put in the effort and sacrificed the time to give the boys the skills and desire to compete. Thanks to Joe Leinan for being a loyal assistant. Lastly, thanks to all 23 players, who sacrificed personal accolades, and dedicated themselves to playing 'team first' basketball. It was a delight to coach you all this season.
