

Huskies Leader

From Brad Best, Superintendent...

To our parents and supporters,

There has been a lot of discussion across the state and in the legislature surrounding how property taxes are out of control and that they must be reduced. Many people believe that the schools continually increase their tax asking every year and that we should reduce our budgets to provide this relief. Over the last 10 years, the state has provided less funding for schools and pushed the responsibility back on the local property owners. The first year for Heartland (98-99), the district received \$576,000 in state aid. This last year, we received \$8,400. From \$3.7 million in state equalization seven years ago, York has dropped to just \$225,000. To fund the state budget, we need a tax system that is fair and balanced for all Nebraska taxpayers in every school district. Between 70-80% of a school's budget is to pay for items mandated by our same state legislature. We have no control over those expenses. What we have is not a school spending issue; it is a state funding issue.

In the Heartland district, we have reduced our tax asking each of the last 3 years. Because this trend will not last forever, we need to motivate our state senators to come up with a solution. We are closely monitoring the current bills being discussed in Lincoln. I encourage you to make your voice heard with our local representatives and encourage them to step up and deliver the funding that they have taken away over the last 10 years in order to relieve property owners. They need to find a way while allowing local control of expenditures.

Here are some statistics that you may find interesting:

- Nebraska ranks 49th in the country in the percentage of K-12 funding that comes from the state.
- Nebraska property owners pay the 7th highest effective property tax rate in the nation.
- Nebraska K-12 schools receive 33% of their funding from state sources while the national average is 47%.
- Nebraska K-12 schools receive 49% of their funding from local property taxes while the national average is 29%.

OUR MISSION: The Heartland Community Schools of Henderson & Bradshaw is dedicated to educating all students by providing challenging opportunities to learn according to individual needs.

PowerSchool- Get the APP!

Many of you access grades through PowerSchool, but if you don't have the app, the app is a little more user friendly than through the computer. Parents and students can both use the app. One advantage is you don't have to log in every time. Simply open the app to view the account of your student(s). A second advantage; you will receive a notification with an up to date grade each time a teacher adds an assignment. Everything you check from the computer, you can check on the app. You will need to know the school's access code: GGXN. Then, log in with the username and password you created for PowerSchool on the web (if you haven't done this, you will need to). See Tim Carr if you have additional questions or need help.

On April 22, 2017, we will hold the Junior-Senior Prom. There will be a meal for the Juniors and Seniors and their guests at 6:30pm in the old gym. The cost for the meal is \$15.00 for juniors and \$15.00 for a guest and complimentary for Seniors. After the meal, the students will do a walk-through from the cafeteria to the theater starting at 7:45pm. The 9-12 student body, parents, and guests are invited to the Royalty ceremony held in the school theater starting at 8:15pm. The prom dance will be held in the south gym starting at 9:00pm. Students will need to purchase a \$5.00 ticket to the dance and post prom activities from the High School office. All activities are chaperoned by parents. Any students leaving the prom early will need sponsor permission and parents will be called.

Annual German Smorgasbord

The Heartland Band Parents hosted the annual German Smorgasbord on Saturday, March 18th. This annual event started in 1956 to help fund the purchase of uniforms and large instruments. Last year, the committee celebrated their 60th annual Smorgasbord and it was the 40th year for Mr. Schweitzer. There was a great turnout as 1,351 people were served.

Valerie Nunnenkamp was in line with a couple who were passing through Henderson. They had noticed an ad in the newspaper and as they returned home from a University of Nebraska baseball game, decided to stop. Valerie explained the history of the German Smorgasbord and all of the ethnic foods. They really enjoyed the evening and said they would like to make this an annual event. The evening ended with the Junior and Senior High band performing in concert.

Outstanding Bandmaster Award by NSBA

The 2017 Donald A. Lentz Outstanding Bandmaster Award recipient was presented to Royce Schweitzer, band director at Heartland Community Schools. The award was presented by the Nebraska State Bandmasters Association at their annual banquet on March 3, 2017.

The Donald A. Lentz Outstanding Bandmaster Award is intended to recognize an individual who has made an outstanding contribution throughout his or her career, not to honor an individual for only a given year's work. The recipient of the Lentz Award will be viewed as one of the many superior band directors in Nebraska, and over the years a number of exceptional teachers will be so honored. A candidate for the Outstanding Bandmaster Award must be a band director in Nebraska and an NSBA member. Nominations for this award may come from school administrators, fellow teachers, students, community organizations or other individuals who possess a knowledge of the nominee's career.

Boys' Basketball Team 2017

Coach Ribble would like to thank our administration for all of their support. Also, our basketball parents are top notch. They released their sons to our team, and allowed them to be coached. Lastly, thanks to the fans who followed us through our journey this season. It was a blast to share this season with so many passionate, helpful supporters.

Our boys had a very successful season this year. Through the ups and downs of the season, the team stuck together and accomplished great things. A few of our accolades were:

- 14-9 Record
- Sub District Champions
- District Champions
- State Tournament Qualifier
- D-1 State Tournament Sportsmanship Award
- Finished in the top ten in the Lincoln Journal Star and the Omaha World Herald

Girls Take 4th at State Basketball

The Lady Huskies had a very successful season this year. They set a school record with the most wins in a season. The team received 3rd in the Nebraska Holiday Tournament, 3rd in the Southern Nebraska Conference tournament, and 4th in the State Tournament. This was the first time in Heartland history the Lady Huskies had made the state tournament in basketball.

Effort and attitude are two actions you can control. The Lady Huskies had both great effort and attitude all season long, which led to their success. Coach Veerhusen would like to thank them for their time and effort. It takes special individuals to work that hard for a whole season.

The team would not have as much success without everybody's support. We had great support from the school, administration, community, fans, and parents. Parents thank you for all your time and effort. Your support this last season was simply amazing. We greatly appreciate all that you did for us this season.
