

Huskies Leader

From Brad Best, Superintendent...

To our parents and supporters,

We are putting the finishing touches on the building, student schedules, and all of those other things that need to be done to start a new year. It is going to be another great year at Heartland!

We would like to introduce our new certified staff for this school year:

Dana Reinke - Mrs. Reinke is joining our staff as our new elementary principal. She comes to us from Wallace, Nebraska and was a kindergarten teacher for over 10 years prior to becoming an administrator for the last 5 years.

Kasey Blase - Mrs. Blase brings a good number of years of teaching experience to our lower elementary this next school year. She comes to us from York.

Christa Gergen - Mrs. Gergen will be a new teacher in 4th grade this year as well as helping with varsity volleyball. She is in her 2nd year of teaching having worked in York last year.

Kaylen Rodrigues - Mrs. Rodrigues will join us as a 7-12 language arts teacher this year. Kaylen is a new teacher and anxious for the year to start.

Hillary Veerhuesen - Mrs. Veerhuesen is joining our staff and will provide assistance to special education students and staff as well as assuming some director duties in this area. Hillary is a school psychologist and will be working with student behavioral plans with students, as well.

D.J. Wagner - Mr. Wager is a new teacher to the profession and will be teaching some social studies classes as well as elementary physical education. He will also be helping with junior high football and overseeing our Striv media class.

If you see these new staff members, please introduce yourself and welcome them to our school. You are always welcome at school if you would like to stop by and see all of the interesting things happening on a daily basis.

Projects that have kept us busy over the summer:

- Every room was emptied, scrubbed, and readied for the new year
- All hallways shampooed or waxed accordingly
- Grounds around the school are updated and maintained
- New computers were ordered and readied for the students and staff
- A lot on the northwest corner of the parking lot has been cleared and will be prepared for students to begin construction of a garage this fall.

Enjoy the rest of the summer! We are anxious to see you!

Breakfast/Lunch Prices for 2018-19

Lunch prices have stayed the same as last year. Lunch prices for students in grades K-6 are \$2.75, 7th-12th - \$2.85, employees - \$3.40 and guests - \$4.00. Students who qualify for reduced price meals will pay \$0.40. Breakfast prices are \$1.55 for students and \$1.80 for adults. Students who qualify for reduced price meals will pay \$0.30. The milk price is \$0.40.

Kindergarten students will have their afternoon milk included in their lunch accounts. This amount is entered on your child's lunch account every two weeks. **We ask that all families keep their lunch accounts with a positive balance.**

REMINDER ABOUT PHYSICALS

All Kindergarten and 7th grade physicals must be completed before school starts. If your child is participating in sports in grades 8-12, their athletic physicals must be completed and turned into the office before they can participate.

Physicals can be scheduled at Henderson Health Care between 8 a.m. and 5 p.m. Monday through Friday. Payment is required at the time of service and unless a parent accompanies, a written or verbal consent must be provided.

Physical forms are available in the high school office, at Henderson Health Care, or on the school web page www.heartlandschools.org under the "For Students" tab.

HIGH SCHOOL NEWS

To the 7-12th Grade Parents and Students,

We are looking forward to the new school year! We will begin school at 8:15 AM for a half-day on Wednesday, August 15, and will dismiss at 11:40 AM.

I will be in the school office for any schedule changes on weekdays August 1, 3, and 6-10 from 8:00 AM until 4:00 PM. Parents, this is an excellent opportunity to come in with your son/daughter to discuss their schedule and education plan. Once again, if you have any schedule changes or an incomplete schedule, please make changes during the office hours listed.

ORIENTATION: We invite all 7th grade students, NEW students grades 8-12, and their parents, as well as any other students, to the theater for the 2018-2019 school year orientation on Thursday, August 2, at 6:00 PM.

SPORTS INFORMATION MEETING: If your student in grades 7-12 will participate in a sport this year, a parent/guardian needs to attend this meeting, required by the state of Nebraska as part of the Concussion Awareness Act on Monday, August 2nd at 7:00 PM in the theater.

COMPUTER DISTRIBUTION: if you would like your child to take their computer home during the school year, computers will be distributed for students in grades 7-12 August 7-8 from 9:00 AM-6:00 PM. Again, accounts need to be up to date and you will need to pay \$30 for insurance. Parents and students need to read the Laptop Policy and Procedures handbook and sign the user agreement form, goo.gl/YNJ2J7. (To print the signature pages only, use this link: <https://goo.gl/rvi9RZ>.)

Enjoy the days of summer and I look forward to seeing you soon.

Sincerely,
Tim Carr

ELEMENTARY NEWS

Dear Heartland Families,

Welcome to the 2018-2019 school year at Heartland Community Schools! It is with great pride and excitement that I write this first note as the new Elementary Principal. Over the summer, I have had many interactions with parents, teachers, staff, community members and students. From these conversations, it is clear there is a strong partnership between all stakeholders to provide the best possible education for our students. The staff and I look forward to fostering these relationships and working with each of you to continue to provide a positive and progressive educational experience for each child.

Our first day of school is Wednesday, August 15, 2018. Back to School Night will be Tuesday, August 14, 2018 beginning at 7:00 p.m. in the Old Gym. This is for all PK-6th grade students and their parents/guardians. Preschool orientation will be that evening. After our opening in the gym, K-6th grade students and their parents/guardians will be able to tour their respective classrooms and meet their teachers. You will receive several forms this evening; some of which will require your signature. Please be sure to return these to the school as soon as possible. We hope to see you at Back to School Night as we kick off our year together.

Throughout the year, you are encouraged to become involved in the happenings throughout the school. It takes each of us working together to assure success. Communication will be an important key. Please feel free to contact me at any time to share celebrations, questions or concerns.

Thank you for your continued commitment to your child's education and dedication to Heartland Community Schools!

See you soon!

ANNUAL NOTICE TO PARENTS: Right to Request Teacher Qualifications

Our district receives federal funds for Title I programs. You have the right to request information regarding the professional qualifications of your child's classroom teacher(s). If you request this information, the district or school will provide you with the following as soon as possible:

- If the teacher has met state licensing requirements for the grade level and subject in which the teacher is providing instructions;
- If the teacher is teaching under an emergency status for which state licensing requirements have been waived;
- The type of college degree major the teacher has and the field of discipline for any graduate degree or certificate; and
- If your child is receiving Title I services from paraprofessionals and, if so, his/her qualifications.

If you would like to request this information, please contact your child's school.

Non-Discrimination Policy

The school district does not discriminate on the basis of race, color, national origin, sex, marital status, age, or handicap in admission or access to or treatment of employment, in its program and activities. If any patron or employee feels they have been discriminated against by any school employee, please contact:

Superintendent - Brad Best, High School Principal - Tim Carr or Elementary Principal - Dana Reinke.

Asbestos Notification

The Environmental Protection Agency regulation requires that all patrons and employees of the Heartland Community Schools be notified as to the location of asbestos-containing materials in the school building.

Recent inspections conducted by ATC Environmental, Inc. of Omaha confirmed earlier inspections containing asbestos particles in several locations in the school. These are located in the old gym, the stage and several maintenance storage areas. Although the pipe insulation does contain asbestos particles, ATC Environmental Inc. found them to be properly encapsulated and therefore pose no threat to the students or employees of Heartland Community Schools.

Management plans, as required by law, have been filed with the State Health Department and should the materials become damaged in any way, the proper action will be taken by school personnel to insure a safe environment for all students and employees. School Maintenance Director, Matt Quiring has received special training, as required by the EPA, to deal with any asbestos related incidents. If any employees have questions or observe any damage to any asbestos covered materials, they should contact the superintendent's office. A detailed diagram of existing asbestos locations in the school building may be obtained from the superintendent's office. A copy of the management plan is available for public inspection in the superintendent's office.

No Child Left Behind Act

Federal legislation requires that schools release the names, addresses, and telephone numbers of all students in grades 9-12 to any military and/or college recruiters that request them. Parents have the right to request that this information not be released without their permission. All parents of students in grades 9-12 will receive a letter with a waiver form attached. This form needs to be filled out and returned to the school to block your child's name from being released. If you do not receive a letter and form, please call the school office and one will be sent to you. If you have any questions, please call the school office, 402-723-4434 for further information.
