

The Huskies Leader

From Brad Best, Superintendent ...

We hope that your fall has been as productive and enjoyable as ours has been. Seems hard to believe that we are approaching the half-way point of our school year already.

Next month, we will share our annual report to patrons in regard to student achievement, finance, membership, etc.. We continue to make gains in all areas of our curriculum and we are excited for our students.

The Advanced Ag class has been working with an agronomist to run soil samples in preparation for spring planting in their area of the courtyard. The results came back as decent soil, so they moved on to planting a cover crop for the winter. It will be exciting for them to plant in the spring and see how their crops fair over the next summer.

Clockwise from top center: Agronomist Marc Peters, Peyton Ott, Reid Huebert, Addie Swartzendruber, Austin Stubr

HCS senior Ethan Hall was honored as a 2016 Believer and Achiever by the Nebraska School Activities Association.

Ethan Hall with his NSAA Believers and Achievers Award.

This is a statewide program designed to recognize to Nebraska's future leaders. Students who show a commitment to good citizenship, are involved in school and community projects, and maintain a high grade point average are honored by the program. A total of 48 high school seniors from across the state are chosen for this award each year. Congratulations Ethan!

We here at Heartland Community Schools wish you and yours a safe, happy, and family-filled holiday season!

School Closing Information

As the winter approaches, occasional bad weather necessitates the closing of school for the safety of our students. School closing information will be announced over the radio station KAWL (1370) and television stations KHAS, KLKN, NTV and KOLN.

We also use an automated phone message service through School Messenger which we will use to contact parents about school closings as well. With this service it is very important that we have current numbers on file. Please call the school office if anything changes.

You may also call our school closing phone line at 402-723-4421. If a decision has been made the night before, the closing will be announced around 10:00PM. In the mornings it will be announced on the half hour from 6:30AM to 8:00AM.

OUR MISSION: The Heartland Community Schools of Henderson & Bradshaw is dedicated to educating all students by providing challenging opportunities to learn according to individual needs.

FFA NATIONAL CONVENTION

This year, ten of the Heartland FFA members were selected to go to National FFA Convention. This gave these members the opportunity to travel to Indianapolis, Indiana on October 18-22, 2016.

This was a fun and educational experience. On the way, they stopped and were able to go to the Science Museum in St. Louis, Missouri. They attended the first general opening session that was held on Thursday, October 20. During this session, the key note speaker was Mrs. Diana Nyad. She shared her story about how she never gave up, after many attempts, to swim from Cuba to Key West, Florida. After trying time after time, she finally made it. After the general session, members went to the Indiana Convention Center and watched fellow member, **Addie Swartzendruber**, as she competed in the National FFA Talent Show. Members then had the opportunity to attend workshops and walk around the career fair. Friday, October 21, members attended three industry tours. At an orchid farm, located in Cloverdale, IN, members learned about hand pollinating the orchids and what to look for in eye appeal of certain orchids. At a wind turbine farm, they learned how wind turbines are fabricated and how they generate electricity. In northern Indiana, members learned about shrimp production; which Indiana is known for.

As the week came to an end, Heartland FFA members went to watch recipients receive their American Degree, and then made the long trip back home.

Heartland Robotics

The First Lego League robotics team challenge for this year is Animal Allies. Our teams are asked to look at animal interactions, identify a problem, and come up with a solution while working through their core values. The teams went to the Central Nebraska Humane Society in Grand Island to take a tour and then spent time with animal socialization by walking dogs and playing with cats. The teams have worked with Margalee Thomas on programming robots and running them through mazes. The Cy-Dawgs consist of **Wyatt Panko, Owen Mierau, Dawson Ohrt, Tyler Lewis, Lisa Buller, Aaron Goertzen, Karla Cool, Ayden Rea, Eli Hiebner, and Austin Wichman.** The Heartland Robobots consist of **Kevin Quiring, Cooper Regier, Tobin Glinzmann, Lauren Quiring, Taylynn Scheil, Zach Wichman, Heath Perez, Josh Caldwell, Justin Caldwell, and Jamie Rowe.** The teams are preparing for their Qualifying Competition that will be in Columbus on January 28, 2016.

NEBRASKA ALL STATE CHOIR

Heartland Community Schools students **Zach Dente, Ethan Hall, and Addie Swartzendruber** were selected to participate in 2016 Nebraska All-State Choir held November 16-18 on the campus of the University of Nebraska-Lincoln. These students were selected from among 2000 singers across the state who auditioned for a spot in the 450 voice choir.

This year's All-State Choir was directed by Dr. Richard Bjella, Director of Choral Studies at Texas Tech University. The choir rehearsed with Dr. Bjella for 3 days and presented a final concert, in conjunction with the All-State Jazz Band on Friday, November 18. Addie (Alto I) and Ethan (Bass I), both seniors, share the honor of being 3-year All-State Choir members. Zach (Tenor II), a sophomore, was selected in his first year of eligibility.

HIGH SCHOOL NEWS

FBLA HOST BINGO NIGHT

Members of Heartland FBLA hosted an evening of BINGO at the Henderson Care Center on October 24. The committee of **Ellie Steingard, Jaden Regier, and Hayes Oswald** led the group by calling out the numbers. **Leslie Braun, and Brittany Quiring** handed out the prizes to the lucky winners. Prizes included pencils, lotion, candy, socks, chapstick, Kleenex, notepads, and word searches. Other members attending the BINGO night were **Brooke Weisheit, Sadie Carr, Colton Monnier, Rachael Dente, Odessa Ohrt, Kalea Wetjen, Timberly Carr, Grace Janzen, Halle Peters, and Rhianna Wilhelm**. The evening concluded by sharing cookies with the Care Center residents.

Excellence In Career Education

The Nebraska Department of Education hosted a Commissioner's Recognition for Student Excellence in Career Education on November 14th in the Rotunda of the State Capitol. Lieutenant Governor Mike Foley and Commissioner of Education Matt Blomstedt presented the awards to the national winners in each of Nebraska's career student organizations.

The Heartland Entrepreneurship Team of **Ethan Hall**, senior at Heartland Community Schools, **Haley Huebert**, freshman at the University of Nebraska at Lincoln, and **Owen Wurst**, freshman at Creighton University received an award for placing fourth in the nation in Entrepreneurship at the 2016 FBLA National Leadership Conference in Atlanta this past summer. This event recognizes FBLA members who demonstrate the knowledge and skills needed to establish and manage a business. In addition to learning business decision-making skills, team participants apply these skills when they present the team's solution to an entrepreneurial case study before a panel of business professionals.

ELEMENTARY NEWS

Fifth graders Graduated from the DARE program Tuesday, November 15. Deputy Gillespie of the York county Sheriff's Department spent 10 weeks teaching the kids about the harmful affects of drug and alcohol. They are also given tools to cope with stress and bullying as well as tools to be better communicators.

4 & 5 GRADES RED RIBBON WEEK

During Red Ribbon Week, students discussed their natural high-something they enjoy doing. We watched videos from many famous people to learn about their natural high such as dancing, playing football, and acting. We wrote our natural high and added our own chain with the school so we can work together to keep each other drug free!

Mrs. Peter's class had a lot of questions about voting in the upcoming election. On November 8th, we read the book, *If I Ran for President*, filled out a voter registration card, and "voted" for President.

Quiz Bowl

Heartland's Quiz Bowl was on the road several times this fall. After the Literature Bowl in September, three young ladies attended the Young Women's Quiz Bowl in Seward, NE on October 19th. **Leslie Braun, Ellie Steingard,** and **Brooke Weisheit** represented Heartland with 2 wins and 1 loss in the pool play rounds in the morning, but were defeated by Thayer Central in the first round in the afternoon.

Geography Bowl

The next week in October, two teams competed in Concordia University's History and Geography Bowl on Concordia's campus in Seward. **Ethan Hall** (Captain), **Kyle Ott,** and **Aaron Buller** made up one of Heartland's teams and **Brooke Weisheit** (Captain), **Isabelle Vanderneck,** and **Noah Hiebner** made up the second team. Both teams won 2 and lost 2 matches that day.

Math Club

The Math Club has also gone on the road this fall. Two students attended the UNO Math Day on October 28th held on UNO's campus. **Noah Hiebner** and **Mark Perez,** pictured below, worked together to complete the Data Analysis questions during the event. Starting at 9 AM in Omaha, the students had 45 minutes to individually work through a set of 20 multiple choice questions. Then students each worked through a set of 10 target questions. The students were given the target questions in pairs and were allotted 10 minutes to work through both problems. The afternoon was a team contest, which could include up to 5 students. Noah and Mark represented Heartland well although a few more minds may have alleviated the stress of the time constraint. Overall, the day was a success and the specialty buffalo chicken and macaroni pizza prepared by UNO students was delicious!

Our last event for the fall was the UNL Math Day. All eight students who attended took the Probe 1 test right away in the morning and the top three scorers for Heartland were **Lane Huebert, Noah Hiebner,** and **Ellie Steingard.** The quiz bowl round was limited to six students with only three competing at a time. It was a great experience for our first time attending the event since 2006 and the students are looking forward to attending again next year.
