HEARTLAND'S ONE ACT PERFORMS "OZ"

Reeling from her sister's death, Beth suddenly finds herself journeying through world suspiciously resembling the film The Wizard of Oz. But with the yellow brick road sold to foreign investors after a financial meltdown, the Scarecrow reveling in his ignorant bliss, the Cowardly Lion acting like a paranoid sociopath, and the Tin Man embracing his emotional numbness, Beth wonders what role she plays in this classic story gone awry. A hilarious and heart-wrenching exploration of grief and perseverance on the road to acceptance.

One Act District competition is December 1st at McCool. The performance is at 9:00 a.m. Spectators are limited to household numbers only. Good luck Heartland One Act cast and crew!

OUR MISSION

Heartland Community Schools - Henderson/Bradshaw strives to provide challenging educational opportunities for ALL students to reach their highest level of excellence.

Winter Concerts

This year, the Winter Concerts will be hosted in a virtual format. The Elementary Concert (K-6th Vocal) will be published on December 10th. The Holiday Band (6-12) and Vocal (7-12) Concert will be published on December 17th. The concerts will be able to be viewed from the Heartland Community Schools website and Facebook page. Thank you for your understanding and we wish you health and happiness during the Holiday Season.

This holiday season...

**spread joy,
not COVID**

Avoid the Three Cs:

1

Crowded Places

Avoid gathering in groups where you can't maintain 6-feet distance from others.

2

Close Contact

Wear a mask or maintain 6-feet distance when you're with people you don't live with.

3

Confined Spaces

Avoid enclosed spaces with poor ventilation.

5TH GRADE D.A.R.E. GRADUATION

Fifth graders celebrated the culmination of the D.A.R.E. (Drug Abuse Resistance Education) Program. The program was taught by Captain Joshua Gillespie from the York County Sheriff's Department. Sheriff Paul Vrbka and Chief John Prusia were also in attendance. With the current situation, family members were not allowed to view the ceremony live, but anyone can view it on the Heartland Striv channel, striv.tv/heartland. Congratulations!

Heartland students, staff, and community members honored Veterans with a virtual Veterans Day program. The program was full of pride and honor as we spent time thanking those who have served. The essay topic was "What Does Patriotism Mean to You?" Elementary essay contest winners were Kinsley Friesen (1st place), Shepleigh Ohrt (2nd place), and Kate Haidle (3rd place). High school winners were Cheyenne Danielson (1st place), Mia Hiebner (2nd place), and Ava Stebbing (3rd place). Thank you to Henderson State Bank for providing monetary prizes to these students and to Virginia Fay, Elaine Vaught, and Evelyn Batson for judging the essays. Thanks to Josie McCormick, Karla Cool, Anastasia Vazquez, and Mr. D.J. Wagner for creating the virtual program.

Elementary winners: Kinsley Friesen,
Shepleigh Ohrt, Kate Haidle

High School winners: Ava Stebbing,
Mia Hiebner, Cheyenne Danielson

BUILD BABY'S BRAIN WITH BOOKS!

From **birth** to **12 months** it's all about...

SOUNDS, WORDS & FEELINGS!

NEWBORN

Start now! A nurturing family routine of reading aloud every day from birth will help your baby feel safe, loved, and ready for school and life.

Read aloud slowly and exaggerate sounds.

Babies love books with real pictures and bold contrasts.

1-2 MONTHS

Smile! Babies love faces and making emotional connections with people. They look, they listen, they feel...

2-5 MONTHS

Oohs and ahhs! Your baby's coos are more than cute – they're vowels! By practicing with loved ones, your baby is figuring out which sounds are important to learn to talk.

Chewing books is normal - a sign of teething! Let baby explore sturdy board books by holding them, turning pages and even tasting!

5-9 MONTHS

A babbling brook...

Through all of that drool, you'll hear "mama," "dada," "baba," and more. Your baby is practicing consonants, new sounds to help them talk.

9-12 MONTHS

Talk to me! Like magic, all of a sudden your baby starts putting those coo (vowel) and babble (consonant) sounds together to make wonderful words!

Reading aloud together is so important to develop your baby's vocabulary. Beyond favorite books, pick new ones that provide new words and experiences. All of these words add up quickly!

DR. JOHN S. HUTTON

Pediatrician & Assistant Professor
Cincinnati Children's Hospital
Reading & Literacy Discovery Center

It isn't just baby's body that is growing this first year — baby's brain is developing even more rapidly! Give your baby the best start by reading aloud every day, for at least **15 MINUTES**, right from birth.

School Closing Information

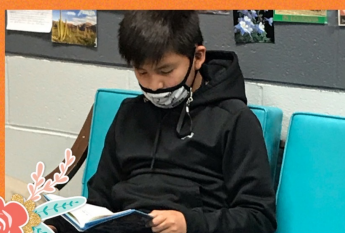

As the winter approaches, occasional bad weather necessitates the closing of school for the safety of our students. School closing information will be announced over the radio station KAWL (1370) and television stations KHAS, KLKN, NTV and KOLN.

We also use an automated phone message service through School Messenger to notify parents about school closings as well. With this service it is very important that we have current numbers on file. Please call the school office if anything changes.

You may also call our school closing phone line at 402-723-4421. If a decision has been made the night before, the closing will be announced around 10:00pm. In the mornings it will be announced on the half hour from 6:30am to 8:00am.

Reading by the fire

This is how 5th grade spends reading time the day before Thanksgiving break. 5th graders are thankful for the ability to read!

4	Outside
3	Strong Speaker
2	Table Talk
1	Whisper
0	No Talking

Over the past two years, Heartland Elementary has utilized voice levels for areas throughout the school. The PBIS Leadership Team established a voice level system with numbers ranging from zero to four. Staff teach and reinforce these voice level expectations throughout the year. Signs are posted throughout the school to help students identify the voice level. Below are some examples of voice levels throughout the school:

- Cafeteria - Voice level 2
- Bus - Voice level 2
- Hallways - Voice level 1
- Restroom - Voice level 1
- Recess - Voice level 4
- Assemblies and Guest Speakers - Voice level 1
- Classroom - Voice level changes based on the activity taking place

Voice level guides can be helpful at home too. Here are some tips for you to consider. As a family, determine the voice level you would like to have at the table, during homework time, in the car, while shopping in a store, attending church or an event, or attending a family gathering. A quick discussion prior to entering a store might sound like, "We are going into Henderson Food Mart. While we are in there, there will be other customers shopping. Please show respect by using a voice level two." If you would like a copy of the voice level poster, please ask Mrs. Reinke or your child's classroom teacher.

The **National Honor Society**, **FFA**, and **FBLA** of Heartland Community Schools will host a food drive at the school. The donations will be distributed to people in our community and the immediate area within our district. No one is required to participate, but the generosity will be appreciated by the families and individuals receiving these gifts. The food drive will start on Monday, December 7, 2020, and will end on Thursday, December 17, 2020. Food will be delivered on Friday afternoon.

If you know a family that is in need of this gift or if you have any questions, please call Ms. Widick at the school or email her at hwidick@heartlandschools.net.
