

Huskies Leader

From Brad Best, Superintendent...

Even though classes are not in session over the next couple of months, the school continues to be alive with activity. Students and coaches are conducting sports camps, the custodial staff is hard at work cleaning and preparing the building for a new year, the office staff is trying to close out one year and ready everything for August, teachers are working on new lessons and going to trainings, and changes to the building are underway.

A few of the more major projects to be completed this summer are a door security system, the updating of air conditioners in the elementary classrooms, and the remodeling of the libraries. The door security, once up and running, will require visitors to use a buzzer to request entry during the school day. This system will not be engaged before and after school to allow for easy arrival and dismissal times. It may seem a minor inconvenience for some, but we felt it responsible in order to keep our school more secure during the day.

The libraries are receiving a complete remodel including paint, carpet, and furniture. They will have quite a different look and functionality compared to before, so please stop up and see the changes later this summer! Updates to the air conditioners in the elementary will provide for a much less noisy way to cool the rooms. The students and teachers are looking forward to a better overall learning environment. Funds for these projects come from our depreciation account, which is money that cannot be spent for other purposes. We know that there is a correlation between a comfortable environment and increased productivity. We will continue to update certain areas of the building each summer.

Please continue to be involved with your child's education and encourage them to do their best, regardless of the task. Plan a few days this summer to visit a historical site, a museum, a festival, or visit a public library. If you have young children, please save some time before bed to read to your child or have them read to you. All of these little efforts can make a large impact on their development. Enjoy a safe, relaxing, and family-filled summer break!

Garage Sale

Make sure you visit our garage sale on June 14 from 8:00-2:00.

Many furniture items available including: computer carts, tables, desks, chairs and many other items.

IMPORTANT NOTICE

A Census Form for Heartland Community Schools was included in the April Newsletter. Please complete & return this form to the school office no later than June 13, 2014 even if your children do not attend Heartland Community Schools.

It is important that you fill out this form and return it to the school office.

Thank you for your cooperation!

WORK HAS BEGUN ON OUR REMODELING PROJECTS.

SPORTS PHYSICALS

A physical examination is required each year prior participation in any athletic activity sponsored by the Nebraska School Activities Association. The physical examination is valid for one year from the date of the exam and may be performed any time after May 1 prior to the next school year. These physicals are for all students entering grades 7-12 who will participate in sports for the 2014-15 school year. Payment of \$25.00 is required at the time of service. You will need to use the school physical form from Heartland as your verification.

SEVENTH GRADE PHYSICAL

A physical examination is required upon entry into 7th grade according to Nebraska LB59 law. The physical may be performed up to 6 months prior to the beginning of the school year in which your child is enrolled in 7th grade.

The clinic is requesting a parent/guardian to please accompany the student to the exam. If the student plans to participate in sports, the sports physical will be completed at the same time the 7th grade physical is performed.

All 7th grade students are required to have three doses of the Hepatitis B vaccine, two doses of MMR vaccine and two doses of the Varicella vaccine or a history of having chicken pox. Immunizations are available at the clinic or for a reduced cost at area immunization clinics.

Once the physical exam and immunizations are completed, the original physical form(s) should be returned to the school. This can be done any time prior to the first day of school. The cost of this physical is \$50.00. Immunizations are not included in this charge.

KINDERGARTEN PHYSICAL

A physical exam is required upon entry to kindergarten according to Nebraska LB59 law. This physical may be performed up to six months prior to the beginning of the school year in which your child is enrolled in kindergarten.

The following immunizations are required upon entrance to kindergarten: two doses of MMR, 3 doses of Hepatitis, at least 3 doses of DPT and IPV, and two doses of the Varicella vaccine (if your child has not had the chicken pox). Please bring your child's immunization records at the time of the physical so we can make sure their immunizations are current. Immunizations are available at the clinic or at area immunization clinics for a reduced cost.

Once the physical exam and immunizations are completed, the original physical form(s) should be returned to the school. This can be done any time prior to the first day of school. The cost of this physical is \$75.00. Immunizations are not included in this charge.

Physicals can be scheduled at Henderson Health Care between 8 a.m. and 5 p.m. Monday through Friday. Payment is required at the time of service.

Physical forms are available in the high school office, at Henderson Health Care, or on the school web page www.heartlandschools.org under the "For Students" tab.

Art Club Hosts Annual Art Show and Silent Auction On May 6, 2014

On May 6th, the Heartland Art Club hosted the annual high school art show and silent auction in the theater hallway of the school. The art show was judged in two categories 3-D and 2-D. Senior, **Kaci Hiebner** received the Best of Show in 2-D for an acrylic painting and also several Honorable Mentions. Sophomore, **Owen Wurst** received best of show for a 3-D clay box. Honorable Mentions were also awarded in these two categories. Receiving an Honorable Mention in 2-D artwork was **Darrian Chase**. In the 3-D category, the students that received Honorable Mentions were **Sidney Dick** and **Ben Winter**. The Art Club would like to thank the community members, faculty and staff, and parents in their support of purchasing the student artwork.

STARTING JUNE 2**

Mrs. Steever, the 1st Grade teacher, is in need of white plastic frosting containers. Please bring them to the school office.

National Honor Society Wraps Up The Year With Fundraisers

NHS wrapped up the year with three final fundraisers to support the Farmer’s Valley Restoration Project. Students worked at Mrs. Suzanne Ratzlaff’s house in Henderson for a donation. A candy guessing jar was raffled off the last two weeks of school. Samuel Friesen correctly guessed that there were 81 pieces of candy in the jar. NHS also sold student snacks to support the cause. Finally, we celebrated our efforts with a lunch at Farmers Valley on the last day of school. All proceeds of NHS efforts will be matched by Henderson State Bank.

College Planning News for Juniors

Class of 2015: There are many ways to receive scholarship and college planning information:

1. **Email:** All students have been added to a group called Class of 2015. I would like to have at least one parent also receiving emails. Please email me at lkoebler@heartlandschools.net with your email address that you frequently check. This will be a primary method of distributing info to seniors.
2. **Remind101:** This is a texting service that will send short reminders/announcements about deadlines and other info. Parents and students are encouraged to join. Text @dfcd2 to (402)718-8594 to start receiving messages.
3. **Twitter and/or Facebook:** “Like” or “Follow” these pages to tons of great college planning info: EducationQuest, John Baylor Test Prep, Heartland Schools, and ACTStudent.
4. **Jr/Sr Newsletter:** A newsletter will be published once a month. It will be mailed or emailed to parents & students.
5. **Web Page:** Go to www.heartlandschools.org - Click on ‘Counselor Corner’ to find info about college planning, financial aid, scholarships, dual credit classes and more.

Summer Reading Program

Fizz Boom READ is the theme for this year's Summer Reading Program which begins June 17th and ends July 24th. The elementary library will be open on Tuesdays and Thursdays from 9:00-12:00pm, with a story time feature at 9:30am on Tuesdays and Thursdays. Students who read 100 minutes per week can bring in their minutes and are eligible for reading incentive prizes and books. Transportation will be provided on Tuesdays for students who live in the Bradshaw area. Packets were sent home with students on the last day of school. Parents of preschoolers may pick up packets at the office or when they first attend.

Volunteers are needed to read, tell, or dramatize a story for the children during the story hour. Stories need not follow the summer library theme but may be on any book or topic appropriate for children. Especially needed are readers who want to share their own writing or life experiences involving stories.

If you would like to get involved in reading to children during the Summer Library Program, please call the school office at 402-723-4434.

Heartland Track Teams Place High At District Track Meet

The Heartland girl's and boy's track teams finished 2nd and 3rd, respectively, at the district track meet held at Friend High School. The girl's team finished with 77 points to edge out Friend with 76 points. BDS won the girl's title, amassing 113 points. The boy's team finished a close third by scoring 82 points. First place went to McCool Junction with 86.5 points and second went to Exeter-Milligan with 85.5 points.

Heartland qualified in 7 individual events and one relay for the state track meet in Omaha. Three individuals qualified in the pole vault by clearing the minimum height of 13' for the boys and 9' 3" for the girls. **Ben Driewer** cleared 13' to finish in 3rd place. **Tierney Casper** cleared 9' 11" to finish 3rd, while **Bailey Carr** vaulted 9' 3" to finish in 4th place. Others qualifying in field events included **Keshawn Camacho** winning the shot put with a toss of 44' 3.25", and **Jordan Heinrichs** finishing first in the long jump with a leap of 20' 10".

On the track **Leah Friesen** qualified in the 1600 with a personal best time of 5:50.0. **Austin Stuhr** notched a 2nd place in the 100 meter dash with a time of 11.5. The foursome of **Cole Nickels, Keshawn Camacho, Jordan Heinrichs, and Austin Stuhr** posted a time of 46.0 to win the 400 meter relay. All district and state results can be found on the NSAA website, www.nsaahome.org.

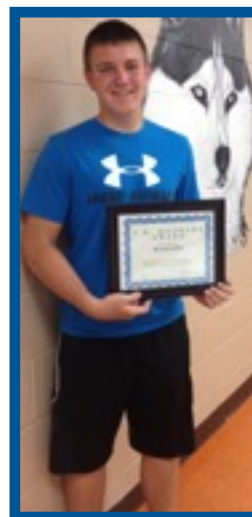

Head track coach Larry Vancura was pleased with the performances of both track squads. Coach Vancura stated, "The future looks bright for both the boy's and girl's track teams. We have a lot of underclassman returning and the Jr. High girl's and boy's teams finished in first and second place at the conference track meet to end their season. I would like to thank the Sr. girls for their contributions the last 4 years. All of my assistants would agree that we had a great group of athletes to work with who practiced hard every day. Just about every athlete recorded personal bests in their events this season."

The Heartland girls finished second and the boys finished third at the district track meet.

Junior High Students go to Champions Fun Center

Junior high students achieved their Huskie Bucks goal and spent a day having fun at Champions Fun Center in Lincoln.

Kyle Ott Receives An Award

Kyle Ott received the FK Hopkins award for outstanding leadership in the junior high.

STATE TRACK QUALIFIERS

Front Row: Ben Driewer, Bailey Carr, Tierney Casper, Leah Friesen & Austin Stubr. **Back Row:** Tyler Brown, Jordan Heinrichs, Keshawn Camacho & Cole Nickels.

HEARTLAND COMMUNITY SCHOOLS 2014-15 SUGGESTED SUPPLY LIST

KINDERGARTEN-Sherry Thiesen

1 Large Book Bag (easily zipped by child)

Bus Transportation Information for the 2014-15 School Year

As we plan our bus routes for the 2014-2015 school year, we would like every family that will be riding the school bus to fill out this form. This will enable the school to have a more accurate record of students riding the bus.

For those who live in Bradshaw, we plan to make several stops in town, rather than have one central pick-up location. After we finalize the bus routes, we will inform you of where the pick-up locations will be.

Please return this form to the school office by July 7, 2014. Thank you.

List every child in your family that will be riding the bus:

<u>Name</u>	<u>Regular Basis</u>	<u>Seldom Basis</u>

Parent's Signature

POSITIONS AVAILABLE

Heartland Community Schools has the following openings for the 2014-15 school year:

Bus Drivers

A CDL and bus driver licenses are needed for this position. We will work with you to obtain these certifications.

If you are interested, please call Matt Quiring, maintenance supervisor, at the school office 402-723-4434 or his cell phone, 402-363-9960.

Food Service Position

Approximate hours are 10-2 on days that school is in session.

If you are interested, please call Val Quiring, food service director, at the school office 402-723-4434.

Parents should consider these jobs as they require a couple of hours per day and coincide with your child's schedule during the year.
