

# Huskies Leader

**From Brad Best, Superintendent...**

## Happy Summer Vacation ...

Even though classes are not in session over the next couple of months, the school continues to be alive with activity. Students and coaches are conducting sports camps, the custodial staff is hard at work cleaning and preparing the building for a new year, the office staff is trying to close out one year and ready everything for August, teachers are working on new lessons and going to trainings, and new technology is being prepared to be distributed to students.

Heading into next fall, we will be distributing laptop computers to all of our students in grades 7-12. One of the requirements prior to receiving the device is that the student and a parent attend an evening orientation and training session to learn about the device and details of the agreement between the school and families regarding liability, care, repairs, etc.. Our initial plan is to hold these evening sessions on August 5<sup>th</sup> & 6<sup>th</sup>. Families would only need to attend one of these nights. A letter will be sent to all students in grades 7-12 in July with additional details.

Looking back on the first year at Heartland, I can honestly say it has been a very rewarding year. I hope that you continue to be involved with your child's education and encourage them to do their best, regardless of the task. Have a safe, relaxing, and family-filled summer break! We are looking forward to seeing everyone in the fall!

**HAVE A GREAT

## SPORTS PHYSICALS

A physical examination is required each year prior participation in any athletic activity sponsored by the Nebraska School Activities Association. The physical examination is valid for one year from the date of the exam and may be performed any time after May 1 prior to the next school year. These physicals are for all students entering grades 8-12 who will participate in sports for the 2013-14 school year. Payment of \$25.00 is required at the time of service. You will need to use the school physical form from Heartland as your verification.

## SEVENTH GRADE PHYSICAL

A physical examination is required upon entry into 7th grade according to Nebraska LB59 law. The physical may be performed up to 6 months prior to the beginning of the school year in which your child is enrolled in 7th grade.

The clinic is requesting a parent/guardian to please accompany the student to the exam. If the student plans to participate in sports, the sports physical will be completed at the same time the 7th grade physical is performed.

All 7th grade students are required to have three doses of the Hepatitis B vaccine, two doses of MMR vaccine and two doses of the Varicella vaccine or a history of having chicken pox. Immunizations are available at the clinic or for a reduced cost at area immunization clinics.

Once the physical exam and immunizations are completed, the original physical form(s) should be returned to the school. This can be done any time prior to the first day of school. The cost of this physical is \$50.00. Immunizations are not included in this charge.

## KINDERGARTEN PHYSICAL

A physical exam is required upon entry to kindergarten according to Nebraska LB59 law. This physical may be performed up to six months prior to the beginning of the school year in which your child is enrolled in kindergarten.

The following immunizations are required upon entrance to kindergarten: two doses of MMR, 3 doses of Hepatitis, at least 3 doses of DPT and IPV, and two doses of the Varicella vaccine (if your child has not had the chicken pox). Please bring your child's immunization records at the time of the physical so we can make sure their immunizations are current. Immunizations are available at the clinic or at area immunization clinics for a reduced cost.

Once the physical exam and immunizations are completed, the original physical form(s) should be returned to the school. This can be done any time prior to the first day of school. The cost of this physical is \$75.00. Immunizations are not included in this charge.

**Physicals can be scheduled at Henderson Health Care between 8 a.m. and 5 p.m. Monday through Friday. Payment is required at the time of service.**

**Physical forms are available in the high school office, at Henderson Health Care, or on the school web page [www.heartlandschools.org](http://www.heartlandschools.org) under the "For Students" tab.**

Junior, **Sidney Dick** received the Best of Show in 3-D for her ceramic fish. Senior **Janelle Huebert** earned the Best of Show in 2-D for a drawing. Honorable Mentions were also awarded in these two categories. Receiving Honorable Mentions in 2-D included **Tyler Henry, Ty Spicklemier, Deit Driewer, Sara Brune, Sidney Dick, Sheppard Ruybalid, and Janelle Huebert**. ## FFA Officers Attend COLT Conference

*Left to right: Cole Nickels, Megan Friesen, Parker Goertzen, Paige Mestl, Megan Boardman and Leah Friesen*

Congratulations to our newly graduated FFA members. Thanks for all that you have done to help promote the Heartland FFA. Good luck to your future endeavors.

Also congratulations to our newly elected junior officers: **Brandon Boardman** and **Olivia Prentice**.

On May 23, Officers attended COLT conference at The Leadership Center in Aurora. Officers attending were: **Megan Boardman, Leah Friesen, Megan Friesen, Parker Goertzen, Cole Nickels, Paige Mestl, and Kelli Bergen**. These seven took three days out of their summer schedule to learn more about what it takes to be a leader in the FFA. They discussed plans for the upcoming year, and networked with officers from various chapters across the state. This conference can seem daunting at first, but in the end, the officers came up with some great ideas for the upcoming school year. Also in attendance at this conference were the seven newly elected State FFA Officers, as well as Southern Region Vice President, Wiley Bailey.

Again, Mrs. Miller would like to remind all members, parents, and employers of FFA members to take pictures while students are fulfilling their daily work load. These pictures will be used in their proficiency applications. Please, also be sure to keep track of all financial records.
