Dear Parents, Patrons, and Friends of  
Heartland Community Schools,

This is not only the final newsletter of the year, but it is also my final newsletter as superintendent of Heartland Community Schools. I would like to take this opportunity to say thank you to each of you for the tremendous support that you give to the students and staff of Heartland. It has been a pleasure for me to be a part of the staff and the Heartland District. I truly believe that we have an excellent staff and student body, when combined with the exceptional parental and community support you really can't have a better situation in which to work.

After 27 years, 13 at Henderson and now 14 at Heartland and a total of 40 years in education, I can honestly say I looked forward to coming to work. I will miss the opportunity to work together with staff to provide the best possible education for each of the students at Heartland. I trust that you will continue to work with the new superintendent, Mr. Brad Best, to always make education a priority at Heartland.

Thanks to each of you for your support over the years. I will miss the daily interaction with students, staff, and parents. May the Heartland District continue to thrive as an educational institution that the entire district can be proud of.

A special thank you to each of the board members that I have had the opportunity to work with and for their dedication to the education of each of the students and to each of the staff members for their commitment to excellence.

As our lives, communities and school district continue to evolve and change, please remember that,  
**"CHANGE IS INEVITABLE, GROWTH IS OPTIONAL".**

Sincerely,  
Dr. Norm Yoder, Superintendent

RE: Bus Riding Plans for 2012-2013

As we plan bus routes for the 2012-2013 school year, we would like to get an accurate count of those students planning to ride the bus. This information will be very helpful in planning cost efficient routes.

For those who live in Bradshaw, we plan to make several stops in town, rather than have one central pick-up location. After we finalize the bus routes, we will inform you of where the pick-up locations will be.

Please take a few minutes to fill out the attached questionnaire and return it to the school office by June 15, 2012.

Please help us out by returning this form. If you don't return it on time, the secretaries will have to take time to call.
