

# The Huskies Leader

## From Brad Best, Superintendent...

### To our parents and supporters,

There has been a lot of discussion across the state and in the legislature surrounding how property taxes are out of control and that they must be reduced. It sounds familiar, doesn't it? Many people and legislators in Lincoln believe that the schools continually increase their tax asking every year and that we should reduce our budgets to provide this relief. The reality is that over the last 10 years, the state has provided less funding for schools and pushed the responsibility of those expenses back on the local property owners. In the first year as Heartland (98-99), the district received \$576,000 in state aid. For the last several years, we have been considered an unequalized district, which means that we do not receive funding through the state aid formula.

Between 70-80% of a school's budget is to pay for items mandated by our same state legislature. We have no control over those expenses. What we are experiencing is not a school spending issue; it is a state funding issue. To fund the state budget, we need a tax system that is fair and balanced for all Nebraska taxpayers in every school district.

In the Heartland district, we have asked our taxpayers for less money each of the last 4 years. Because this trend will not last forever, we need to motivate our state senators to come up with a solution. We are closely monitoring the current bills being discussed in Lincoln. I encourage you to make your voice heard with our local representatives and encourage them to step up and deliver the funding that they have taken away over the last 10 years in order to relieve property owners. I do believe that they will pass some form of property tax relief this session. I hope that they do so without penalizing those of us that have been fiscally responsible.

It is always worrisome when the state or federal government steps in and tells the local government what they can and cannot do, especially in an area where we have locally elected officials to make those decisions. Our school board has done a great job in being sensitive to the property tax issues while providing a great school system for our children. I don't want someone else assuming more control of the great situation we have going for us. I am not sure we will have a choice in the end, but you can make a difference in making sure our legislators hear your story and experience concerning property taxes.

If you have not done so, please check out our student run business, HCS Customs, on the web at [hcscustoms.com](http://hcscustoms.com). They offer many student created products which can be ordered online and all proceeds go back into the business for additional learning opportunities.

Have a great spring season!

**OUR MISSION: Heartland Community Schools-Henderson/Bradshaw strives to provide challenging educational opportunities for ALL students to reach their highest level of excellence.**

## PowerSchool - Get the APP!

Many of you access grades through PowerSchool, but don't have the app. The app is a little more user friendly than through the computer. Parents and students can both use the app. One advantage is you don't have to log in every time. Simply open the app to view the account of your student(s). A second advantage; you will receive a notification with an up to date grade each time a teacher adds an assignment. Everything you check from the computer, you can check on the app. You will need to know the school's access code: GGXN. Then, log in with the username and password you created for PowerSchool on the web (if you haven't done this, you will need to). See Tim Carr if you have additional questions or need help.

**On April 13, 2019**, we will hold the Junior-Senior Prom. There will be a meal for the Juniors and Seniors and their guests at 6:30pm in the south gym. The cost for the meal is \$15.00 for Juniors, \$15.00 for a guest, and complimentary for Seniors. After the meal, the students will do a walk-through starting at 7:45pm. The 9-12 student body, parents, and guests are invited to the Royalty Ceremony held in the school theater starting at 8:15pm. The prom dance will be held in the south gym starting at 9:00pm. Students will need to purchase a \$5.00 ticket to the dance and post prom activities from the High School office. All activities are chaperoned by parents. We will let parents know if your child leaves before the conclusion of the prom activities (2:00am).

### Annual German Smorgasbord

The Heartland Band Parents held the annual German Smorgasbord Saturday, March 16, 2019. The Smorgasbord was started in 1956 and is held on the third Saturday in March.

Band parent families prepare food and work the day of the Smorgasbord. The senior band members served food for a period of time to meet the public as they went through the line. Every parent had a standard recipe to prepare their food. The Smorgasbord committee also utilizes alumni band parents who donate time and food to make the Smorgasbord possible. This group no longer has children in school but willingly volunteers to help. This year, parents and students served 1273 people!

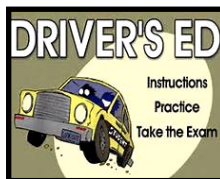

The money raised from the Smorgasbord is used for purchasing band uniforms, larger school instruments, and other band equipment. An average cost for a single band uniform is \$525.00.

Smorgasbord is a great community event that pulls Heartland families of the Henderson and Bradshaw communities together for a special day.

### Drivers Education for 2019

Drivers Education classes will be offered to Heartland students through Nebraska Drives. The classes will take place at Heartland Community Schools in Henderson. It is open to all area students who are 14 years of age by October 1, 2019. All students need a permit as soon as possible. The fee for the class is \$355.00 per student. Register by calling 402-723-4595. Checks should be made out to Nebraska Drives and sent to PO Box 345, Henderson, NE, 68371. The fee must be paid by the first day of class. There is a \$25 fee for being a "no show" for the drive labs.

Only one session will be offered this summer, June 24th through June 27th, from 8:00am to 1:00pm with driving scheduled on students' own time. If you have any questions, please contact David Coleman at 402-723-4595.

**READ ACROSS AMERICA**

First graders spent the week celebrating “Read Across America” with a special group project. Each group picked a Dr. Seuss book to make into a town. Each day students found nouns, verbs, adjectives, and rhyming words from their book to draw and make into a “town”. At the end of the week, students presented their towns to the rest of the class. Also, throughout the week we discussed reasons why it is important to read beyond school and books. We discussed how billboards give information, being able to read a menu, reading road signs, and how to navigate through a newspaper. Each day we had a surprise reader come into the classroom and read his/her favorite book to us. We finished our week of projects and hard work with a pajama day and reading around the school, following the idea of Dr. Seuss’s book “Green Eggs and Ham”.

**First Picture:** Learning to read a newspaper, looking for nouns, adjectives, and verbs; **Second Picture:** Reading in the principal’s office; **Third Picture:** NHS doing “A Wocket in my Pocket” activity with us.

**AMERICAN MOTHER CONTEST**

Fifth grader, Aiyden Franssen, was chosen as one of the top 10 finalists in the “Nebraska 5th Grade Essay Contest”. Aiyden and her family have been invited to attend a Recognition Ceremony at the State Capital in Lincoln on Thursday, March 28th, 2019 at 10:00am. All finalists receive a plaque and read their essay in the Warner Chamber in front of a group of members of the American Mothers, Inc., and possibly the Governor. The first place essay will be announced at this event and be sent to the National Competition. Nearly 250 essays from across the state were judged by Senior College English/Literature/Education majors. Congratulations Aiyden! (Pictured is Aiyden and her mother Tess)

### Quiz Bowl and Math Teams

Over 20 students have been practicing all year during their Wednesday lunch hour to prepare for Quiz Bowl and Mathematics competitions. The seasons started in September and continued through the spring. The fall semester found the Quiz Bowl team competing at the Young Women's competition held in Seward and the Freshman competition, also held in Seward. We also had a group of students attend the Nebraska Wesleyan Quiz Bowl competition in Lincoln. The NWU competition allowed us to compete against much larger schools in a new environment. It was a great experience for everyone. In November, the Mathematics team attended the 29th annual UNL Math Day in Lincoln. Each competition allowed different students to compete and even though we didn't bring home any medals, you can be assured that Heartland was well represented.

March has brought crazy weather, but it has also given us more opportunities to compete. On March 4th, Heartland had two Quiz Bowl teams compete at the SNC competition held in Hebron. After a late start due to weather, the two teams competed against other conference schools. The first two rounds in the morning were warm-ups for the afternoon double-elimination tournament. Both teams performed well, but we did not finish in the top four. The second competition in March occurred on March 15th at Wesleyan University. Due to a schedule conflict with track, not all of the students were able to attend. We were able to take a Freshman team, a Sophomore team, and a team made up of Juniors and Seniors. The teams faced larger schools, such as Blair, Waverly, and Crete. Each of the teams won multiple games and again, represented Heartland proudly.

The last week of March will find the Mathematics team attending the Annual Harvard Math Day and the Quiz Bowl team will attend the ESU 6 Quiz Bowl competition in Seward. If the team is able to finish as one of the top two teams, they will qualify for the state competition.

It has been my pleasure to work with these talented students. Seniors: Kate Bergen, Audric Bulin, Olivia Casper, Noah Hiebner, Benjamin Mestl, Colton Monnier, and Peyton Ott. Juniors: Timberly Carr, Grace Janzen, Odessa Ohrt, Halle Peters, Kalea Wetjen, and Rhianna Wilhelm. Sophomores: Nolan Boehr, Tobin Glinsmann, Ellyn Hall, Lauren Quiring, Cooper Regier, Taylynn Scheil, and Wynema Stracener. Freshmen: Lisa Buller, Aaron Goertzen, Eli Hiebner, Tyler Lewis, Elizabeth Mestl, and Kale Wetjen.

Our seasons would not have been as successful without the help of additional staff members. Ms. Margalee Thomas, Mrs. Gina Mestl, Mrs. Tonya Carr, and Ms. Aubrey Tate graciously helped both teams by driving an additional vehicle and coaching one of the teams. Thank you to Mr. Matt Quiring for making sure we always had a vehicle or two ready to go for our early departures. Thank you to Mrs. Charlotte Greenwall for making sure fees had been paid and we had money to make our trip to DQ. Special thanks to Mrs. Connie Brown for making sure we looked good in our team shirts. The future of the Heartland Quiz Bowl and Math Teams is very promising!

### Girls On The Run (GOTR) of York County 5K

Saturday, May 4th, 2019 @ 10:00am  
York High School Track Area  
1005 Duke Drive  
York, Nebraska

The 5k is open to males and females of all ages. Walkers are welcome! April 10th is the deadline for online registration. April 5th is the last day to guarantee a 5K shirt. You may still do a on-site registration from 9:00am to 9:45am on May 4th.

For more information about Girls on the Run and to register, visit our website: [www.gotrnebraska.org/5k-information/](http://www.gotrnebraska.org/5k-information/)

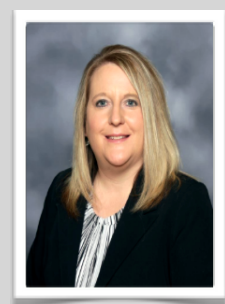

We are also seeking volunteers to help on race day, whether it be on the race route, the registration table, the happy hair station, or a variety of other jobs. If you would like to volunteer, please contact Deb Potter at 402-483-0373.

### AMERICAN MOTHER CONTEST

Fifth graders published a book called "The Best Part of Me", in which they showcased their favorite part of themselves. Everything from hands, feet, and brains were appreciated by the students. If you know a fifth grader who ordered a book, ask them if you can read it! You can also read their published book in Mrs. Maltsberger's room.

### FBLA Members Compete at the Peru State College Business Contest

Fifteen Heartland FBLA members competed at the Peru State College Business Contest on February 13th. This business competition gave the Heartland FBLA members the opportunity to take practice tests to prepare for the State Leadership Conference which will be held in Omaha on April 4th through April 6th. Tests were taken in the following areas: Accounting, Business, Communication, Business Ethics, Business Law, Business Math, Computer Concepts, Economics, Entrepreneurship, Introduction to Business, Keyboarding, Marketing, Personal Finance, Web Page Design, and Word Processing.

Colton Monnier received 2nd place in Marketing and 3rd place in Economics; Timberly Carr received 3rd place in Advanced Accounting; Grace Janzen placed 5th in Business Ethics; Odessa Ohrt received 3rd place in Marketing and 5th place in Personal Finance; Elizabeth Mestl placed 3rd in Keyboarding Skills; Dawson Ohrt placed 3rd in Word Processing; and Kale Wetjen received 4th place in Business Math and 5th place in Introduction to Business.

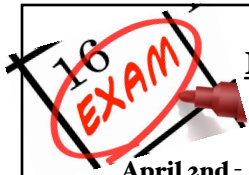

Congratulations to these Heartland FBLA members!

Front Row, left to right: Ellyn Hall, Elizabeth Mestl, Ashley Brown, Kaelyn Buller, and Odessa Ohrt

Back Row, left to right: Kale Wetjen, Grace Janzen, Dawson Ohrt, Jade Hiebner, Tobin Glinsmann,

Colton Monnier, Cooper Regier, Timberly Carr, Wyatt Regier, and Cynthia Cervenky

**Elementary State Testing Dates**

- April 2nd - 5th grade Science
- April 4th - 5th grade Science
- April 9th, 10th, 11th - 3rd, 4th, 5th & 6th grades English Language Arts
- April 16th, 17th, 18th - 4th, 5th, & 6th grades Math
- April 16th, 17th, 23rd - 3rd grade Math

**Junior High State Testing Dates**

- April 9th, 10th - 8th grade Science
- April 16th, 17th - 7th, 8th grades Math
- April 23rd, 24th - 7th, 8th grades English Language Arts

**High School Testing Date**

- April 2nd - 11th grade ACT

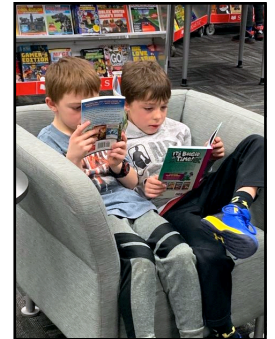

**Test Taking Tips for Parents & Students**

- Mark testing days on your calendar to remind your child.
- Make sure your child gets an ample amount of sleep the night before the test.
- Eat a nutritious breakfast.
- Help the child visualize success. Encourage them to rehearse what it will feel like to get a good score on the test.
- Use positive language when talking about the expectations of the test.
- Keep a positive attitude about testing in general around your child and emphasize their ability to demonstrate what they have learned.

**Scholastic Book Fair**

The Scholastic Book Fair was held March 4th & 5th at Heartland Community Schools. Thank you to everyone who visited and purchased books for your family and your child's classroom. With your generosity, 150 books went into the classrooms!

**Heartland Preschool Kindergarten Transition Visits**

All PreK children are invited to join Heartland Preschool and Bethesda Preschool students in the Elementary Library at 2:15pm on the dates listed below. The children will visit different school places and people in preparation for kindergarten. Please contact the school office if you plan to bring your child for these transition visits. Parents can call Dot Quiring, Heartland Preschool teacher, with questions at 402-723-4434 (school).

**Transition Visit Dates**

Monday, April 8, 2019

Wednesday, April 10, 2019

Monday, April 15, 2019

**April "To Do" List**

**Seniors**

- \_\_\_Continue applying for scholarships.
- \_\_\_Make your final college decision.
- \_\_\_Start purchasing dorm essentials.
- \_\_\_Start looking for a summer job.

**Juniors**

- \_\_\_Attend a college fair in your area.
- \_\_\_Schedule campus visits while colleges are still in session.
- \_\_\_Register by May 3 for the June 8 ACT.
- \_\_\_Start looking for scholarships.

## Heartland Community School Preschool Program

Heartland Preschool is now taking applications for the 2019-2020 school year. There will again be two half-day sessions offered daily. 3-year-olds will attend mornings, 8:00am-11:15am, and 4&5-year-olds will attend afternoons, 12:15pm-3:30pm. Sessions are held 4 days per week, Monday through Thursday. Children may attend 2 or 4 days per week.

### Sessions Start August 19<sup>th</sup>, 2019

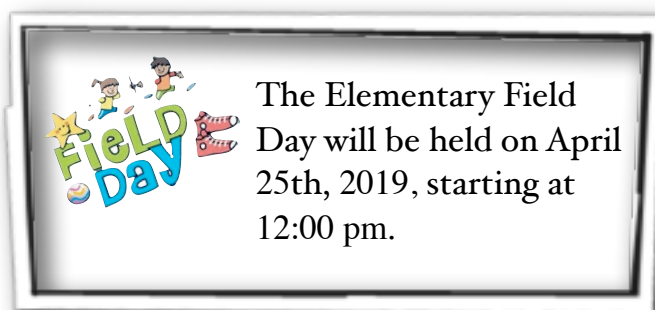

Tuition: 2 days per week - \$65/month;  
4 days per week - \$130/month

Tuition will be billed monthly on the 1<sup>st</sup> of the month and is due on the 10<sup>th</sup> of the month. Families may apply for tuition assistance. **A cost increase may go into effect for the 2019-2020 school year if determined by the Heartland School Board.** The schedule for children verified for Special Education services will be defined by their Individual Education Plan (IEP) and there will be no cost to parents for tuition.

#### Benefits:

- ✓ Highly qualified, experienced staff who enjoy children's energy and curiosity
- ✓ Language-enriched environment with emphasis in early literacy development
- ✓ Play opportunities to facilitate growth in all developmental areas, including school readiness skills
- ✓ Easy transition to an elementary school setting

Interested parents can pick up an application form at the Heartland School office and then return the form after completing it. Parents will be contacted in early June concerning their child's application. Parents can contact Dot Quiring, Heartland Preschool teacher, with questions - (402) 723-4434 (school).

CENSUS DATA

Once again, Heartland Community Schools will be conducting a school census during the month of June. In order to get the most accurate and complete number and names of persons living within our district, we are asking the patrons to complete the attached questionnaire. It is important for one form to be filled out for **each household that has children aged birth to 21 years, even if your children do not attend Heartland Community Schools.** Please return the completed questionnaire to the school office or mail to the Superintendent's Office, 1501 Front Street, Henderson, NE 68371.

**This information affects our state funding, so it is very important that we have current and accurate data.**
