

The Huskies Leader

From Brad Best, Superintendent...

To our parents and supporters,

As part of the school accreditation process through the Nebraska Department of Education, schools must conduct self-evaluations of performance data, demographic data, and feedback from teachers, students, and district patrons. At the beginning of a new evaluation cycle, this information is used to set new school improvement goals for the district. We have been working on a set of goals and have collected information over the few years to help us determine the progress we have made.

At the end of this 5-year cycle, a team of educators from various districts across the state will visit our school for a two-day period and pour through the evidence that we have collected and utilized in this process. During this visit, they will offer observations about the things we have done well and make suggestions as to what we may consider in our new set of goals for the subsequent cycle.

One of the pieces of data that the external team will want to review is feedback from you, our patrons. There is an online survey produced by the accreditation organization that we are asking you to complete. The link to the survey may be found on our website at www.heartlandschools.org. Look for the survey link under Quick Links on the right side of the page.

I am confident that we are doing the right work and welcome the input to the process. At our last professional development day, the staff spent time completing a self-evaluation for this process. We had very good discussions surrounding school improvement, our own ratings on how well we address the standards for excellent school systems, and working in committees to provide details for the evaluation. We also spent time hearing a presentation on how to work with students that live in poverty. Our percentage of students living in these conditions has increased 10% over the last 15 years, bringing our poverty percentage to 30%. We learned some valuable techniques and will continue these discussions.

Thank you for completing the survey and best wishes for a family-filled Thanksgiving.

School Closing Information

As the winter approaches, occasional bad weather necessitates the closing of school for the safety of our students. School closing information will be announced over the radio station KAWL (1370) and television stations KHAS, KLKN, NTV and KOLN.

We also use an automated phone message service through School Reach which we will use to contact parents about school closings as well. With this service it is very important that we have current contact numbers on file. Please call the school office if anything changes.

You may also call our school closing phone line at 402-723-4421.

If a decision has been made the night before, the closing will be announced around 10:00PM. In the mornings it will be announced on the half hour from 6:30AM to 8:00AM.

OUR MISSION: The Heartland Community Schools of Henderson & Bradshaw is dedicated to educating all students by providing challenging opportunities to learn according to individual needs.

PLEASE JOIN US FOR OUR
VETERANS' DAY PROGRAM

FBLA MEMBERS ATTEND FALL LEADERSHIP CONFERENCE

The Nebraska FBLA Fall Leadership Conference was held in Kearney on September 29th. This conference was a one-day workshop for FBLA officers and members to learn about the state goals. This year's state theme is "CONNECT."

The 2015-16 state goals spell out UNITE. **Utilize:** publish a website to aid local secretaries, create a template on how to write an article, promote parliamentary procedures resources, update the SLC Survival Guide and update the competitive event resources. **Network:** collaborate with another CTSO, FBLA chapter or school club on a state project, increase social media presence by reaching 1,500 likes on Facebook and 1,300 followers on Twitter, create monthly webinars and boost local chapter activities. **Involve:** encourage chapters to participate in Seven Up, increase involvement in state and national projects, have 25% of total local chapters complete one section of the Chapter Challenge, spread awareness of the March of Dimes and increase state participation by 10% in the Business Achievement Awards. **Target:** charter or reactivate 5 chapters, charter 2 middle level chapters, tally it up to 27,000 service hours, donate \$15,000 to the Nebraska FBLA Foundation and raise \$17,000 for March of Dimes. **Educate:** promote the Community Service Awards, inform students about state and national deadlines, educate students about financial literacy and post weekly tip, tricks and reminders on social media.

The keynote speaker at the general session was Kevin Wanzer from Indianapolis, Indiana. His presentation was titled, "Empowering Audiences One Laugh at a Time." In his fast-paced, hilarious, yet touching keynote address, he

recalled and reinforced essential life and love lessons. He reminded us that success in life ultimately comes down to finding joy in everyday situations and the importance of who and what we choose to love. Following the general session, the officers and members attended individual workshops on getting involved with FBLA, the Foundation, Program of Work and the March of Dimes.

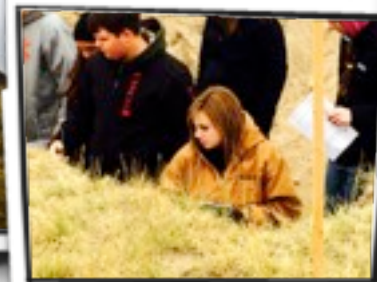

The following officers and members attended the conference: President **Haley Huebert**, Vice President **Leslie Braun**, Secretary **Owen Wurst**, Treasurer **McKenna Friesen**, News Reporter **Mark Perez**, Historian **Eve Vanderneck**, Committee Rep. **Ethan Hall**, **Bailey Monnier**, **Jose Romo** and Adviser **Kristy Most**.

Back Row; L to R: Haley Huebert, Mark Perez, Owen Wurst, Ethan Hall, Jose Romo & Leslie Braun. **Front Row; L to R:** Eve Vanderneck, McKenna Friesen & Bailey Monnier.

Addie Swartzendruber competes in the State Land Judging Competition

On Wednesday, October 21, Addie Swartzendruber competed as an individual in the State Land judging competition. This year, the contest was held in Scottsbluff, NE. Addie received 76th out of 132 competitors.

Heartland Students Attend the SNC Sportsmanship Summit

Ten Heartland students attended the SNC Sportsmanship Summit in McCool Junction on September 23rd. This event featured leadership speakers, collaborative activities, and team building challenges. At times the students were put into groups with students from different schools. Communication and teamwork were emphasized throughout the day.

In the photos, students are playing a Poly Spot game. One student was the "communicator" while the others were blindfolded. While blindfolded, the students had to find Poly Spots in numerical order from 1-6 and bring them home. Only the "communicator" was allowed to look at the playing area during this activity.

In the activity "Paper Tower", students were given one piece of paper, a meter of masking tape and a pair of scissors. The goal was to erect the tallest, free standing, tower made from the materials given in 10 minutes.

In the final activity, "Catcher's Mitt", each team (school) was given 10 bendable straws, 2 feet of masking tape and a golf ball. The goal of each team was to create a device that would 'catch' a golf ball dropped from eye level.

We all had a great time, learned some valuable lessons about leadership and building and changing culture at our school. We also developed some leadership qualities. We all would like to thank our administration for allowing us to attend such a beneficial conference.

These seven seniors completed a total of nine applications to six different colleges during Apply2College Day at HCS!

Financial Aid Program
 Learn how to pay for college – and earn a chance to win a \$500 scholarship!
 Juniors and seniors who attend an EducationQuest Financial Aid Program before February 1 will be eligible to win one of three \$500 scholarships. (Parents/guardians may attend for their student.)

Date: Monday, Nov. 1

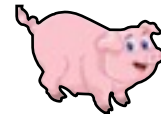

Time: 1:00

Location: Room 109 (Mr. Lindsay's room)

For details, visit EducationQuest.org

EducationQuest
 Your Journey to College Begins with Us

If you cannot attend, this event will be live-streamed on HCS's Striv channel and will be posted for watching at a later time.

First graders with their pigs that they made in their farm unit. They named their pigs and wrote creative stories about them.

Elementary Japanese Extension Camp

The Japanese Extension Camp took place October 19th-23rd with 19 students, grades 3rd-6th participating.

What did our students learn during the Japanese Extension Camp?

Japanese culture- The three language systems, how they are different from one another, and an introduction on how to write with each one- How to count to 10- How to introduce themselves- How to greet someone- How to play Jan-Ken-Pon (rock-paper-scissors).

Students also created a Japanese scroll using kanji characters.

This camp was taught by Mrs. Sadie Houck and participants were: 3rd grade- **KatrinaMarie Epp, Braelyn Renz, Tucker Robinson, Austin Schmidt, Zach Miller, and Weston Ohrt;** 4th grade- **Dylan Gage, Hendric Switzer and Fred Beck;** 5th grade- **Savannah Hurlbut, Eloise Casper, Maddie Maltsberger, Reeve Oswald, Ava Tessman, Owen Mierau and Tucker Bergen;** 6th grade- **Ayden Rea, Leah Quizon, and Karla Cool.**

Box Tops and Points for Education September Class Winner: 3rd grade

They are at it again!

Last year this group of students were able to win the Box Tops and Points for Education trophy 8 out of 9 months and received the bi-monthly challenge prize all 4 times. So it wasn't a big surprise when they managed to bring in the greatest amount for September; bringing in 270 more than our second place grade.

These students brought in 595 total tops and points in September. Five hundred ninety - five was not only the largest amount brought in by any grade, but also the best average per number of students brought in by any grade. This year the focus for the trophy and prize winners will be based on each class's average.

Pictured with the 3rd grade class is 3rd grade teacher: Kristin Vandenberg and 3rd grade paraprofessional: Taylor Wild.

The Jr. High FCS Competes in their Second Annual Cupcake Wars

The junior high FCS classes competed in Heartland's second annual Cupcake Wars. Students formed teams, researched, and created what they hoped to be the winning cupcake! FCS students not only learned how to create an award winning cupcake but they also learned about food production, safe handling techniques, preparing baked goods, and professional preparation techniques.

Ch.I.L.D. Day Provided by Heartland Community School

The Heartland Community School is setting aside a special time for parents of children age 5 and below to participate in **Ch.I.L.D. Day**, which stands for *Childhood Information on Language and Development*. Just as parents take their young children to the doctor for medical check-ups, the school can provide to parents the services of a "developmental wellness visit". The early childhood personnel at the school can provide current and useful information to parents concerning the early development of their baby, toddler, or preschooler.

Ch.I.L.D. Day is a child find effort conducted by the Heartland Community School District. School

districts are required to conduct child find activities to ensure that young children who need early intervention services are identified. Involvement in Ch.I.L.D. Day is a free, completely voluntary service and is conducted in a confidential manner.

Ch.I.L.D. Day is set for **Friday, Nov. 20 from 8:30am-4:30p.m.** For babies and toddlers under age 3, we will be meeting in family homes so that the children will feel more comfortable in their natural environment. For children ages 3-5, we will be meeting in the Heartland Preschool room at the school.

Interested parents who live in the Heartland School District can call the school office in Henderson to register for a time slot when the early intervention specialists can meet with

their child. Parents will be able to ask questions about their child's development, complete a developmental checklist, and have their child play and interact informally with adults knowledgeable about young children. Further information may need to be gathered at a later time if the parents and school staff see any concerns. Parental permission is required for any further evaluation.

The Heartland Community School wishes to extend this invitation as one way of providing support and information to parents of young children in our district. Again, parents of young children in the Heartland school district are invited to call the school at 402-723-4434 to register for Ch.I.L.D. Day.

HENDERSON HUSKIE YOUTH FOOTBALL TEAM

The Henderson youth football team concluded a 5-1 season with a trip to the inaugural Farmers Valley Youth Football League championship game. The Huskies completed an undefeated regular season and lost to Cross County in the championship game Sunday, October 18th. "It was a lot of fun and with a lot of fundamentals for our boys. We truly stress how to play the game safely, while instilling a competitive spirit."

Those playing on the team from Heartland were: **Tucker Bergen, Kale Wetjen, Trev Peters, Trajan Arbuck, Hunter Perez, Zach Quiring, Reeve Oswald, Alexander Bell, Cole Miller, Jacob Regier, Jack McCormick, Carson Ott, Kaden Siebert, Dawson Ohrt, Hudson Regier, Merrick Maltsberger, Brent Senff & Wyatt Panko.** Coaches were: **Matt Maltsberger, Brian Bergen, Jim Ohrt, Jeff Peters, David May & Derek Regier.**

Heartland Quiz Bowl and Math Club

Heartland's Quiz Bowl started off their first-ever meet at the Young Women's Quiz Bowl in Seward, NE. Team Captain, **Haley Huebert**, led her teammates **McKenna Friesen, Brooke Weisheit, and Isabelle Vanderneck** with three wins in the morning round robin tournament against Friend B, Osceola, and Dorchester. But one loss to Friend A gave Heartland the 3rd seed for the afternoon. With a win again against Dorchester and a loss to Humphrey, Heartland faced Friend A again for the 3rd place spot. It was a close match to the finish. Friend A took the lead at 80 to 60 with only 5 minutes remaining. Each toss-up question is worth 10 points and is answered individually. If a toss-up question is answered correctly, then the team gets the chance to answer a bonus question worth 5 points. Before the 20 minutes expired, Heartland was 90-90 with Friend A. The next toss-up question answered correctly would win the match. Heartland took the match after the third toss-up question. Congratulations **Haley, McKenna, Brooke, and Isabelle** for earning that 3rd place spot! The next Quiz Bowl event will be in the Spring.

Also new to Heartland is the Math Club sponsored by Margalee Thomas and Laura Smith. The first event is at the University of Nebraska at Omaha on Friday, October 30th. The students planning to attend include **Owen Wurst, Haley Huebert, McKenna Friesen, Mark Perez, and Noah Hiebner.** Best of luck Heartland Math Club!
