WAITLISTING A COURSE

Managing My Waitlist

When a course section reaches its maximum capacity, it is possible for students to add themselves to a waitlist via WebAdvisor on the Hub.

Email Address

Students must have a current email address on file at Southeast Community College, before adding themselves to a waitlist. To verify your email address is accurate, go to WebAdvisor on thehub.southeast.edu and from the main menu select: Student ->Address Change. Email addresses are listed at the bottom of the page. If the address is incorrect, make the necessary changes and click->Submit. Corrections are sent directly to the registration office, however, are not immediately seen online.

Waitlisting a course

Students can add or remove themselves from a course waitlist through WebAdvisor on the Hub. After selecting a class which is full, on the registration screen select Action->Waitlist->Submit.

Note: Students cannot waitlist themselves for classes if any of the following conditions apply: prerequisites are not complete, the student is currently registered for another section of the class or tuition is owed to the college. Also, students cannot waitlist themselves for multiple sections of the same course.

Permission to register

When there is an opening in a class, the first student on the waitlist will be notified via email. The student can register for the section on-line by going to WebAdvisor->Student Registration->Manage My Waitlist->Action-> Register->Submit.

One (1) day to register

When given Permission to Register, the student will have 1 day to register. At the end of this time, if a student fails to register for the designated class, the student is removed from the waitlist and the next student is notified.

Removal from the Waitlist

On the Hub, go to WebAdvisor->Student Registration->Manage My Waitlist->Action-> Remove->Submit.

Tuition

Students are not charged tuition for courses in which they are waitlisted. Tuition charges will not be posted to the student account until the registration process is complete.

Dates

Last day to add your name to a waitlist for **Spring 2022** is **January 10**.

See the calendar page for a complete list of registration and waitlist dates.

****ALL WAITLISTS ARE REMOVED ON DAY 2 OF EACH TERM.**

FINANCIAL INFORMATION

SCHOLARSHIPS

Scholarships are awarded two times a year for new and returning students. Available scholarships are posted on campus, in the Financial Aid Office and on the SCC website. Applicants are selected on criteria specified by the scholarship donors. Scholarships are funds provided by the College or outside contributors to students based on criteria determined by the donor.

Your application will be considered and cross-referenced for all scholarships for which you qualify – you don't have to pre-select your scholarships of interest!

The SCC Scholarship application is only available ONLINE at

www.southeast.edu/scholarships and has open enrollment during the following calendar days:

Current and new SCC students

- May 1-31 – planning to attend Fall Semester
- Oct. 1-31 – planning to attend the Spring Semester

Current High School Seniors

- Dec. 1-March 1– planning to attend the next academic year.

Note: To be considered for scholarships based on financial need, the applicant must also complete the FAFSA at www.studentaid.gov for the appropriate school year.

If a student is unable to apply online, they may contact the Financial Aid Office with an explanation of extenuating circumstances and may receive assistance with the application process.

Check your WebAdvisor page for awards or call the financial aid office!

APPLYING FOR FINANCIAL AID

Complete the Free Application for Federal Student Aid (FAFSA) form online or obtain a paper copy. Fill it out carefully and completely and mail it as early as possible. Important: make sure you have listed the SCC campus you will be attending on the form.

A student may qualify for financial aid (PELL, SEOG, Student Loans, Scholarships, etc.). The student is responsible for completing all required forms. If the information is not accurate or is incomplete, aid may be delayed or denied.

FINANCIAL AID AWARDS

Southeast Community College issues an online Financial Aid award letter which informs students of the financial aid they are eligible to receive. (Your WebAdvisor account under Financial Aid. Password required)

Priority filing deadline dates have been established to prevent delays in processing Financial Aid awards. Review of documents received begins immediately. Complete information will be processed and an online Financial Aid award letter will be generated indicating financial aid eligibility for the academic year.

Please note that at the federal level, processing time for the FAFSA will be approximately three to six weeks.

VISITING STUDENTS

Do I need to apply for admission to the College in order to take classes at SCC?

No. Visiting students who plan to enroll in a few courses do not need to apply for admission to the College.

When can Visiting students register for classes?

Registration for the **Spring 2022 classes** begins **October 25, 2021**.

I am a new student and have never attended SCC.

You can register in one of the following ways:

1. Go to: <https://www.southeast.edu/applynow/> and complete the **Visiting Student Application** (SCC will send an email to the email address you provided with directions for how to register online.) or
2. Complete and return the "VISITING STUDENT-USERNAME REQUEST FORM on page 9 of this schedule to the Registration and Records Office. (SCC will send an email to the email address you provided with directions for how to register online.)
3. Complete the REGISTRATION FORM on page 79 of this schedule and return the completed form to Registration & Records.

How do I get my username and password?

(See the back page of the Credit Schedule under Login Help.)

I have completed the course prerequisites but the computer will not let me register for the class.

If you have completed the prerequisite courses or have test scores/transcripts from another college, you will need to register in person. When you come to register, please bring a copy of your college transcripts.

Can I meet with an advisor?

Yes! To schedule an appointment contact the Career Advising Center on your campus.

Beatrice 402-228-8242

Lincoln 402-437-2620

Milford 402-761-8202

What is the tuition and when is it due?

Tuition and fees are listed online and/or page 7 of the Credit Schedule and must be paid by the first day of class.

Failure to attend class . . .

Failure to attend classes does not constitute a drop!

To drop a class(es), a student must

1. **Drop the class online** using WebAdvisor on The Hub. (Be sure to print a written confirmation of your drop if using Webadvisor)

OR

2. Submit an **"Official Drop/Add Form For Credit Classes** available at www.southeast.edu/RegistrationandRecords to the Registration and Records Office located in the Student Affairs Office

Students must submit an official drop form prior to the drop or refund deadline to be eligible for a tuition and student services fee refund. Failure to attend classes does not absolve the student from making complete payment for all tuition and fees associated with the student's registration. NOTE: Students who have failed a class due to academic integrity or other disciplinary reasons are not eligible to drop or withdraw.

Advisors

Advisors help students understand degree requirements and maintain knowledge of transfer articulation agreements, requirements and regulations. They assist students in developing meaningful educational goals that are consistent with personal interests, values and abilities. Effective academic advising helps the student identify resources for greater academic success and helps the student navigate immediate questions and concerns and plan for the future.

Career advising services are available to all declared and undeclared students, alumni and the general public.

The advising process is tailored to students' needs and includes discussion of student interests, values and aptitudes; review of various programs of study; selection of programs for further exploration; discussion of program requirements; explanation of career options available in various fields of study; and arrangement of appointments with academic or vocational program staff. Staff are able to assist older students, single parents or students entering gender nontraditional programs to be successful.

At NSE, you will

- **get important information to help you prepare to start your educational journey.**

All new students must attend an NSE event. Visit www.southeast.edu/nse for a list of dates, times, and locations (please plan to attend an NSE event on the campus that you plan to attend). We encourage you to register early as space is limited at each event.

BIOS - BIOSCIENCE

For these courses, students must register for a lab and lecture or they will be dropped. When registering Online, register for the lab first, then the lecture. Labs have an L following the course number. Lectures and corresponding labs are listed together. (i.e. BE lecture/BE lab, LN lecture/LN lab, ES lecture/ES lab.) Students must register for the lecture/lab at the same location. When registering for WEB classes, students do NOT need to register for a lab. Labs are included within the WB sections only.

THE CAREER ACADEMY

Students in the **Lincoln Public School district** must attend the Career Academy at SCC's Lincoln Campus, 8800 O St., Lincoln, NE 68520 - <http://wp.lps.org/tca/>

The Career Academy is a joint venture between Lincoln Public Schools and Southeast Community College. Students attend TCA for two hours a day during the regular school year while taking their remaining courses back at their home high school. Transportation in the LPS district is provided, books are free, and tuition is free through scholarships or paid at a 50% discount to the regular SCC credit hour charge.

TCA offers expert instructors and access to more than 150 professionals in business and industry who provide real world connections. These professionals serve on pathway support teams that advise, mentor, judge, provide field trips, and sometimes even offer internships for students at TCA.

We **encourage** sophomores to apply and explore the great career options!
